01984 618274 | www.halswaymanor.org.uk

Halsway Manor is a charity that promotes and supports the practice of traditional folk arts. This includes folk dance, music, song, folklore, storytelling, arts and crafts. It is the only residential centre in the world concentrating on the varied folk heritage of England.

Halsway Manor has inspired thousands of people to discover and explore all facets of the folk arts through its year-round residential and outreach activities. Halsway's mission is to enrich lives through inspirational experiences, as it has been doing for over 50 years – it attracts expert tutors from across the globe, offering a broad programme that assists amateur exploration, professional development, the creation of new work, and stewardship of its heritage. Visitors also cherish the opportunity to make new friends and connections from all over the world, and the community of folk artists that Halsway attracts.

Halsway Manor is a truly unique organisation which employs over 300 professional folk artists every year, works with hundreds of young people through its Young Folk programme and in school settings, and provides a folk education programme for all ages that is second to none.
